Recognizing those who Go Above & Beyond

Once a member has completed the volunteer activities that cover the hour commitment based on membership, we keep count of the very special Above & Beyond hours they continue to contribute. To allow all members to recognize and thank each other for this effort, we are starting an official program called (you guessed it 😊) ... *Going Above & Beyond (GAB)!*

Members achieving a **GAB** Tier will be recognized at the CPCC Annual Meeting, have their names posted in the club and on the website and receive a recognition decal that we hope they will proudly display on their curling equipment.

There will be four recognition tiers for this season:

- Bronze → 15-75 GAB hours
- Silver → 76-150 GAB hours
- Gold → 151-300 GAB hours
- Platinum → over 300 GAB hours

When will hours next be tallied?

Another status update will be tallied and sent to members after **March 10th** and a final season tally will be sent after **April 30th**. Please make every effort to submit your hours by March 10th or confirm with the organizer of your activities if they are submitting on your behalf. **Don't worry about double reporting**, we would rather have the information twice than have it go uncounted.

Reminder that we need volunteers all year round.
Summer Activity Roles are starting to show up on the Volunteer Sign Up page.

←**SCAN ME** to be taken directly to the Members section of cpcurling.ca. You will be prompted to log in if you are not already signed in.
