

VOLUNTEER NEWS

14 November 2023

As a *MEMBER OWNED* and *OPERATED* club, the term volunteering takes on a different meaning from other organizations who have dedicated resources to run their core operations and have “volunteers” to add capacity for extra initiatives. Unfortunately, we can’t find a better word – please, let us know if you can think of one!

Spotlight on Organizers

Each year several members step forward to take on larger roles to run operations essential to the club.... convening leagues, delivering instructional programs, serving on the Board or Committees, organizing special events and fundraisers, participating in community events or taking on a maintenance or infrastructure projects.

Each year it takes **50-70** members, investing **~4000** hours to coordinate these core operations of the club. With more organizers, we can deliver more services ... <curling pun intended>

Volunteer time is not free, it is priceless

Take minute to find and thank your organizers

VOLUNTEER NEWS

Taking on an organizer role can seem daunting but there are lots of opportunity to shadow and be mentored by those who have done it before... let us connect you with an organizer in an area that interests you... often you can take on a small role to help them and get you started.
