## End of Season Reminders

As we near the end of the 2023-2024 curling season we want to send out a BIG thank you to all our members who have contributed their time and talents to the running of our club.

As of the March 10<sup>th</sup> volunteer reporting summaries almost **7000 hours**

of volunteer activity has been reported but we know there are some of you who have yet to report your volunteer contributions.

A communication will be sent to all members on April 15<sup>th</sup>, reminding you to report your volunteer activities by April 30<sup>th</sup>. The message will also clarify the season end processes for tallying volunteer hours and resolving any situations where members have not completed the required minimum.

## Looking ahead to next season!

If you have ideas for activities, events, fundraisers or administrative tasks that you would be interested to take on for 2024-2025, talk to your volunteer liaison, a Board member or a Volunteer Committee member.
